*Attorneys for NML Capital Ltd.*

**UNITED STATES DISTRICT COURT  
 DISTRICT OF NEVADA**

NML CAPITAL LTD.,

Plaintiff,

v.

THE REPUBLIC OF ARGENTINA,

Defendant.

CASE NO.: **2:14-ms-00024**

**AFFIDAVIT OF NIKKI L. BAKER IN  
 SUPPORT OF NML CAPITAL, LTD.'S  
 MOTION TO COMPEL PRODUCTION OF  
 DOCUMENTS FROM ENTITIES  
 AFFILIATED WITH NON-PARTY  
 LÁZARO BÁEZ**

STATE OF NEVADA           )  
   ) ss.:  
 COUNTY OF CLARK         )

I, NIKKI L. BAKER, being first duly sworn, depose and state as follows:

1. I am an attorney at the law firm of Brownstein Hyatt Farber Schreck, LLP, counsel  
 for Plaintiff NML Capital, Ltd. ("NML") in this matter currently pending before the United States

1 District Court, District of Nevada. I submit this affidavit in support of NML's Motion To Compel  
2 Production Of Documents From Entities Affiliated With Non-Party Lazaro Baez ("Motion"). I  
3 have personal knowledge of the facts set forth herein, and if called upon to do so, am competent  
4 to testify thereto.

5 2. On August 13, 2013, NML served Subpoenas on M.F. Corporate Services  
6 (Nevada) Limited ("M.F.") and on the Baez Entities defined in Appendix A to the Motion.  
7 Patricia Quertey, who is/was designated by law to accept service of process on behalf of M.F.,  
8 both on its own behalf and on behalf of the Baez Entities, accepted service of the Subpoenas.

9 3. Because the appearance fee check for the Subpoena on M.F., only, was unsigned,  
10 NML re-served the Subpoena to M.F. on August 23, 2013. After being served with the  
11 Subpoena, M.F. produced various documents it possessed as the registered agent for the Baez  
12 Entities. Subsequently, NML and M.F. entered into a Confidentiality Agreement for the  
13 production of additional documents in response to the Subpoena to M.F.. Thereafter, on  
14 November 5, 2013, M.F. provided to NML a disc containing certain responsive documents.

15 4. Of the one hundred and twenty-three (123) Baez Entities, one hundred and  
16 fourteen (114) are either currently or formerly managed by Aldyne, Ltd. ("Aldyne") and provided  
17 affidavits signed by Leticia Montoya, as an agent of Aldyne. (*See* Affidavits attached hereto as  
18 Exhibit "1".) In each of the affidavits, Aldyne claims that it reviewed either its own records or  
19 the records of the particular Baez Entity, and determined that there were no documents responsive  
20 to the Subpoenas. Aldyne also produced letters on behalf of two entities. One letter, sent on  
21 behalf of Permanel Investment Limited, stated that the entity "had been transferred to another  
22 Registered Agent as of the 6<sup>th</sup> of September 2012." (*See* Letters attached hereto as Exhibit "2".)  
23 The other letter was sent on behalf of American Trade & Packing Ltd., and stated that the entity  
24 "has been continued to another jurisdiction, as of the 30<sup>th</sup> of July 2013." (*See id.*)

25 5. Upon a review of the affidavits, letters, and the disc produced in response to the  
26 Subpoenas, NML determined that M.F.'s production was incomplete and that the Baez Entities  
27 were withholding documents that NML reasonably believes should be in their possession, custody  
28

1 and/or control.

2 6. Thereafter, on November 5, 2013, I contacted counsel for M.F., Kent Woods, Esq.,  
3 who had also passed along the affidavits and letters from the Baez Entities, to inquire about  
4 missing documents and whether there is an individual that I could meet and confer with regarding  
5 the Baez Entities' responses to the Subpoenas.

6 7. On November 5, 2013, Mr. Woods sent me an email stating that he was willing to  
7 discuss any outstanding discovery issues relating to his client, M.F., and that he had reached out  
8 to his contact for the Baez Entities. Mr. Woods also stated that if he could receive a list of the  
9 entities that would be the subject of a motion to compel, he could arrange with his contact to be  
10 retained or to have their counsel contact me to arrange a meet and confer before NML files a  
11 motion to compel. (*See* Email chains, Exhibit "3".)

12 8. On February 6, 2014, I sent an email to Mr. Woods inquiring again as to whether  
13 he had a contact person or persons for the Baez Entities with whom I could speak in order to meet  
14 and confer before filing any motion to compel. (*See id.*)

15 9. Later that same day, Mr. Woods responded via email and asked for a list of entities  
16 that NML wishes to receive more information from and that he would pass such information  
17 along to the appropriate persons to determine whether he would be retained to represent the Baez  
18 Entities or if they would handle it internally. (*See id.*)

19 10. On February 27, 2014, I emailed Mr. Woods to schedule a time for Monday,  
20 March 3, 2014, to meet and confer regarding the Baez Entities' responses to the Subpoenas and  
21 the documents that were missing from M.F.'s production. (*See id.*)

22 11. On March 5, 2014, Mr. Woods and I conferred on the phone regarding the  
23 discovery issues, and I again inquired as to whom I could speak to from Aldyne regarding the  
24 Baez Entities. After the telephone call, I followed up with an email to memorialize our  
25 conversation. (*See id.*)

26 12. In the March 5, 2014, email, I set forth the following documents that were missing  
27 from M.F.'s production: (a) operating agreements or parts of operating agreements for three (3)  
28

1 Baez Entities, (b) membership certificate for Rochester International Holdings, LLC, (c)  
2 membership certificates and operating agreements for thirty-three (33) Baez Entities, and (d) any  
3 documents for Ariona Company, LLC and Dilmond Enterprises, Ltd. (*See id.*)

4 13. I also reiterated that, "given the number of other entities that I would like to confer  
5 on," I needed to know whom I could speak to from Aldyne. I asked Mr. Woods to contact me  
6 after he spoke with his contact person regarding whether he or someone else could discuss the  
7 discovery issues relating to the remaining Baez Entities. (*See id.*)

8 14. On March 10, 2014, Mr. Woods responded that he would speak to his contact  
9 person and get back to me. He also informed me that it may take a bit of time, as his contact was  
10 currently in Panama and would be there through the middle of the following week. (*See id.*)

11 15. On March 19, 2014, I followed-up regarding whether Mr. Woods had spoken to  
12 his contact from Aldyne, and, if so, when we would be able to set up a time to discuss M.F.'s  
13 deficient production and whether there is someone I could speak with on behalf of Aldyne. (*See*  
14 *id.*)

15 16. In response, Mr. Woods sent me an email informing me that his contact returned  
16 from Panama that day, and that he would get back to me regarding the discovery issues. (*See id.*)

17 17. I responded to Mr. Woods' email, explaining to him that we needed to move  
18 forward with attempting to resolve the discovery issues and asking if we would be able to  
19 schedule a call for March 21, 2014, to do so. Mr. Woods responded, stating that he would call me  
20 on March 21, 2014, after 1:30 p.m. (*See id.*)

21 18. On March 21, 2014, Mr. Woods sent me an email stating that his contact at Aldyne  
22 "pulled out of our conference call this morning," and that he would not have much information  
23 until Monday, March 24, 2014. Mr. Woods also called my office and left a voice mail indicating  
24 the same. (*See id.*)

25 19. In response, I emailed Mr. Woods to schedule a telephonic meet and confer for  
26 Monday, March 24, 2014, to discuss the outstanding discovery issues. (*See id.*)

27 20. On March 24, 2014, Mr. Woods and I engaged in a telephonic meet and confer,  
28

1 wherein I sought an update regarding the outstanding discovery from M.F. and the status of the  
2 contact person from Aldyne. During the call, Mr. Woods explained that he was unable to  
3 communicate with his contact in Panama regarding Aldyne, and that he should know something  
4 by the following day, Tuesday, March 25, 2014.

5 21. During the call, Mr. Woods maintained the position that M.F. had not withheld  
6 any documents that were responsive to the Subpoenas. He further informed me of the bates  
7 numbers for certain documents that were listed as outstanding in my March 5, 2014, email, but  
8 were allegedly produced by M.F.

9 22. I informed Mr. Woods during the March 24, 2014, telephonic meet and confer that  
10 NML would be filing a motion to compel on Friday, March 28, 2014, if the remaining discovery  
11 disputes were not resolved by that date.

12 23. Following the telephonic meet and confer, Mr. Woods sent me an email  
13 confirming, among other things, that he should be able to speak with his contacts about Aldyne  
14 either later that day or early the next day (March 25<sup>th</sup>), and that he would call me to provide more  
15 information regarding their position. (*See id.*)

16 24. Mr. Woods' email also restated M.F.'s position that it produced all responsive  
17 documents it had, and that since it is a commercial resident agent, many of the requested  
18 documents are "organized by outside third parties in other countries, and certain documents are  
19 never sent to MF." (*See id.*)

20 25. I responded to Mr. Woods' email, confirming my representation made during the  
21 telephonic meet and confer, that NML is planning to file a motion to compel on Friday, March  
22 28, 2014, if the parties do not resolve the outstanding discovery issues by that date. (*See id.*)

23 26. Having not heard anything further from Mr. Woods by the close of business on  
24 March 25, 2014, I emailed him to inquire as to whether there was any update on a contact person  
25 for Aldyne that could speak about the Baez Entities' responses. In response, Mr. Woods did not  
26 provide a contact person for Aldyne; rather, he stated that "things move slowly in Panama," and  
27 inquired as to which particular entities NML is interested in and whether I could provide some  
28

1 additional direction as to what NML is seeking. (*See id.*)

2       27. At 2:35 p.m. on March 28, 2014, Mr. Woods sent me an email, informing me that  
3 he had "some information/explanation for Aldyne" that he could share, and we set up another  
4 telephonic meet and confer. (*See id.*) I called him shortly thereafter. During the telephonic meet  
5 and confer, Mr. Woods represented, among other things, that Aldyne is a Seychelles company  
6 that acts as the nominee manager for some of the Baez Entities that were subpoenaed, and that it  
7 is run by a law firm in Panama. Mr. Woods also stated that Aldyne had gone through its files,  
8 determined that it did not possess any documents responsive to the Subpoenas, and then sent the  
9 Subpoenas to the last known address of the company contacts, but that Aldyne did not hear  
10 anything in response.

11       28. I informed Mr. Woods that, although I appreciated that he was passing this  
12 information along, I have still not been able to speak with anyone retained by the Baez Entities. I  
13 explained to Mr. Woods our frustration with the Baez Entities' failure to communicate about or  
14 produce any documents responsive to the Subpoenas. As of the filing of the Motion, I still do not  
15 have contact information for anyone at Aldyne that I could speak with regarding the Subpoenas.

16       29. Mr. Woods also reiterated that M.F. searched for and produced all documents it  
17 has in its possession, custody or control. I inquired as to whether a representative from M.F.  
18 would be willing to be deposed about the efforts made to locate the subpoenaed documents,  
19 M.F.'s document retention policy, and why they are unable to produce certain documents. Mr.  
20 Woods stated that although M.F. would comply with any subpoena, the woman who runs M.F.  
21 may not be comfortable being deposed. He stated that she may be willing to provide an affidavit  
22 explaining the topics I mentioned. I told Mr. Woods that I would follow-up on this issue in the  
23 event NML decides to explore such alternatives.

24       30. Despite numerous requests, I have been unable to have a meaningful discussion  
25 with anyone representing Aldyne and/or the Baez Entities regarding their responses to the  
26 Subpoenas.

27       31. Pursuant to Local Rule 26-7, after personal consultations with M.F.'s counsel and  
28

1 sincere efforts to do so, the parties have been unable to resolve this matter without Court  
2 intervention.

Figure 6 shows the results of the regression analysis. The dependent variable was the number of days off work due to musculoskeletal problems. The independent variables were age, sex, years since last injury, time since last surgery, and the three risk factors. The model explains 70% of the variance ( $R^2 = .70$ ). The regression equation is:

$$Y = -1.98 + .002X_1 + .001X_2 + .001X_3 + .001X_4 + .001X_5$$

where Y is the number of days off work due to musculoskeletal problems,  $X_1$  is age,  $X_2$  is sex,  $X_3$  is years since last injury,  $X_4$  is time since last surgery, and  $X_5$  is the sum of the three risk factors.
